It gives me immense pleasure to share with you some developments and achievements that have marked a period of growth and excellence for South Asian University. As an institution built on the foundation of regional cooperation and academic excellence, we continue to thrive, thanks to the confidence and support of the SAARC member states.

Our journey is one of collaboration and shared vision, and the commitment of SAARC member states is a testament to the trust they place in us. Their continuous support empowers us to reach new heights in education, research and innovation.
